CUSTOMS ACT 1901

INTENTION TO REVOKE A TARIFF CONCESSION ORDER

The Comptroller-General of Customs intends to revoke Tariff Concession Order (TCO) for the goods described in the following TABLE in accordance with s.269SD(1AA) with effect from 10 August 2016.

On 10 August 2016, the Comptroller-General of Customs' delegate formed the belief in respect of this TCO, that if the TCO were not in force on that day, and application for the TCO was made on that day, the Comptroller-General of Customs would not have made the TCO. The Comptroller-General of Customs would not have made the TCO because he believes that the wording of the TCO does not provide a full description of the goods that were the subject of the TCO application.

Interested parties who might be affected by this decision are invited to provide, by close of business Wednesday 7 September 2016, a written submission concerning the proposed revocations.
