From Thursday, 23 February 2017, it is intended to take action to revoke these Orders under subsection 269SD (1A) of the Customs Act 1901. In accordance with subsection 269SG (2) of the Customs Act 1901, in transit provisions shall apply. If revoked, the expected date of effect will be 22 February 2017.

**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

The Comptroller-General of Customs intends to revoke the Tariff Concession Orders (TCO's) for the goods described in the following TABLE in accordance with s.269SD(1AA) with effect from 25 January 2017.

On 25 January 2017, the Comptroller-General of Customs' delegate formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the Comptroller-General of Customs would not have made the TCO.

That is because these TCOs were made in contravention of s.269SD(1AA), in that the description of the goods in the TCO does not provide a full description of the goods the subject of the original TCO application or the goods fall to multiple classifications.

Interested parties are invited to provide, by close of business 22 February 2017, written reasons why these TCOs should not be revoked.

**IMMIGRATION AND BORDER PROTECTION****TARIFF QUOTAS - QUOTA TRANSACTIONS PROCESSED DURING THE PERIOD 17 Jan 2017 to 24 Jan 2017.**

## GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 17 Jan 2017 to 24 Jan 2017 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Tariff Concession Administration, Australian Border Force, 5 Constitution Avenue Canberra City, ACT 2601

**PART 1****NOTICE OF MAKING A DETERMINATION UNDER PART XVI OF THE CUSTOMS ACT 1901**

- (2) classified under a subheading of Schedule 3 to the Customs Tariff Act 1995, specified in Item 55 in Part III of Schedule 4 to the Customs Tariff Act 1995;

- (4) in total, not in excess of such quantity as is specified in that Determination, as shown in Part 2.

In pursuance of Section 273B of the Customs Act 1901, notice is hereby given that a Determination specified in Section B of Part 2 amended a previous Determination by deleting the figures in the column headed "QUANTITY AS WAS" and inserting the figures in the column headed "QUANTITY AS IS".
