This Gazette contains details of quota transactions processed during the period 17 March 2020 to 24 March 2020 inclusive.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations, which have been caused by transfer transactions.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction may be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette, should be directed to the Trusted Trader and Trade Compliance Branch, Australian Border Force, PO Box 25, Belconnen, ACT, 2616.
