CUSTOMS ACT 1901**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

The Comptroller-General of Customs intends to revoke Tariff Concession Orders (TCO) for the goods described in the following TABLE in accordance with s.269SD(1AA) with effect from 27 July 2016.

On 27 July 2016, the Comptroller-General of Customs' delegate formed the belief in respect of these TCOs, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the Comptroller-General of Customs would not have made the TCOs. The Comptroller-General of Customs would not have made these TCOs because he believes that the wording of the TCOs do not provide a full description of the goods that were the subject of the TCO application and are also in contravention of s. 269SJ(1)(aa) of the *Customs Act 1901*.

Interested parties who might be affected by this decision are invited to provide, by close of business Wednesday 24 August 2016, a written submission concerning the proposed revocations.

CUSTOMS ACT 1901**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

The Comptroller-General of Customs intends to revoke the Tariff Concession Order (TCO) for the goods described in the following TABLE in accordance with s.269SD(1AA) with effect from 27 July 2016.

On 27 July 2016, the Comptroller-General of Customs' delegate formed the belief in respect of this TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the Comptroller-General of Customs would not have made the TCO. The Comptroller-General of Customs would not have made this TCO because he believes that the goods described in the wording of the TCO cannot be classified to a single Tariff Classification in contravention of s. 269P(4) (a) of the *Customs Act 1901*.

Interested parties who might be affected by this decision are invited to provide, by close of business Wednesday 24 August 2016, a written submission concerning the proposed revocations.
