CORRIGENDA

The "Intention to Revoke TCOs not used in over 2 years" notice was originally published in the Tariff Concession Gazette TC 19/34, Wednesday, 04 Sep 2019 with incorrect dates. The correct dates are shown in the amended notice below. The TCOs the subject of this notice remain as shown in Tariff Concession Gazette 19/34.

TARIFF CONCESSION ORDERS (TCOs) NOT USED IN THE PREVIOUS 2 YEARS

The Comptroller-General of Customs is satisfied that the TCOs listed in the table below are no longer required because, in the 2 years preceding the day of this notice, they have not been quoted in an import declaration to secure a concessional rate of duty.

From Thursday, 3 October 2019, it is intended to take action to revoke these Orders under subsection 269SD(1A) of the Customs Act 1901. In accordance with subsection 269SG(2) of the Customs Act 1901, in transit provisions shall apply. If revoked, the expected date of effect will be 3 October 2019.

Interested parties are invited to provide, by close of business, Wednesday 2 October 2019, written reasons why an Order should NOT be revoked.

Please advise if any of the Orders listed below have been quoted on an import declaration.

If a request is made to retain an Order used for the granting of a Determination, please specify the Determination and the linked Item number to enable mapping to the Order and its scope.
